Annual Donor Program

When Pinewood Players opened the Playhouse, we introduced the Annual Donor Program for capital improvements, now known as the capital/operating fund. We encourage all members to participate, and our members have been very generous. Over the years we have benefited in many ways from these donations and some grants. For example, we have:

- Maintained and painted the theater interior and exterior
- Added light and sound equipment, later replaced and updated it, and then updated it again
- Improved the outside lighting
- Improved the makeup/dressing rooms and the shelving in the costume room
- Added air conditioning
- Constructed the men's dressing room
- Added the front patio cover, replaced the pavers, and recently refurbished the Pinewood Playhouse sign
- Added a storage shed next to the Country Club cart barn and recently acquired a new storage building, enabling us to cease rental storage across the highway
- Removed expansion joints in the stage floor
- Replaced damaged siding on the theater exterior
- Replaced all of the seats and the carpet
- Built the video/light platform and storage room
- Installed additional curtains to improve sound and added a front curtain
- Performed maintenance to improve safety and security
- Remodeled the restrooms
- Re-configured and extended the Ticket Office to make it more visible, accessible, and functional, including as a concession stand, and recently added a programmable, scrolling digital sign
- Installed a new digital control system to simplify and automate stage-lighting operations and converted the stage lights to LEDs for higher energy efficiency as well as increased functionality and onstage aesthetics
- Installed, on the west exterior wall, a weather-resistant display case for promoting our events more visibly to Country Club members
- Rebuilt stage walls.

We are always looking for ways to enhance the enjoyment, convenience and safety of our audiences and we welcome your suggestions.

In 2015 we expanded the Annual Donor Program to provide for up to two scholarships of \$2,000 each to be awarded annually. Students must be pursuing higher education and have close ties to Munds Park. We have been pleased to award scholarships to 13 very deserving students. More information about the Scholarship Program, including any additional eligibility requirements, is on our website.

In 2021 we established another fund to support directly the Youth Drama Camp Program.

If you wish to support directly the Scholarship Program or the Drama Camp Program, you may designate your choice on page 1 of this form or on your check the portion to go to that program. Donations not so designated will be put into the capital/operating fund for theater maintenance and improvements.

Four levels of annual donations are recognized in performance programs:

Supporters:	donations of \$50 - 99
Theater Lovers:	donations of \$100 - 249
Benefactors:	donations of \$250 - 499
Angels:	donations of \$500 and up

All donors of \$250 or more will receive three tickets for each of the adult productions that season, if desired. This is a value of \$25 per free ticket. Your tax-deductible donation will be the amount donated, less the value of the benefits you receive (such as the free tickets for a donation of \$250 or more).
